 in association with Alliance University is
 organizing online webinar.

Topic :
 Careers in Operations Management

📅 January 9, 2022, Sunday

🕒 11:00 AM to 12:05 PM

Expert Speaker

Dr. George Easaw

Professor & Area Chair
 Operations Management
 Alliance School of Business
 Alliance University

Dr. George Easaw has been in academics since 1989. He has attended and presented and published papers at workshops, seminars, conferences, and journals in Information Systems, Operations Research, and guided PG projects in Industrial Engineering. He has 25 years of experience in teaching in Engineering Colleges and Business Schools and Industry.

Dr. Easaw writes extensively on General / Industrial / Operations Management related topics through his blog. Having come from industry, Dr. Easaw is very enthusiastic about maintaining strong linkages with the industry. He takes interest in organizing and conducting industry workshops on various Industrial Engineering and Operations Management topics for the industry practitioners.

SkillsBuild Innovation Camp Data Analytics

The Data Analytics Innovation Camp is designed to bring you experiential learning in data science using Python, Machine Learning, and Data Visualization. Students will learn a practical approach through an interactive learning environment, professional guidance from industry experts and working on real-time mini projects.

With a right mixture of learning and mentoring, students will learn how to build forecasting models and apply analytical solutions to predict a situation. Data Analytics Innovation Camp will give hands-on experience of working with analytical tools along with vital techniques for data cleaning, regression, clustering and data visualization.

Innovation Camp concludes with a career planning session where students will be explained about the career prospects for a Data Scientist and how to search and apply for data analytics jobs.

Orientation **Master class on Data Analysis using Python** **Concept Note** **Career Planning Workshop**

Self-Paced Learning **Master class on Machine Learning**

Benefits

- Opportunity to gain internships & full-time job employment opportunity by IBM & its network partners.
- Learn through customized content with weekly personalized mentoring sessions & master classes.
- Grow your professional network
- Transform your learning into a tangible showcase for future employers.

Earn IBM Badges

Time Commitment
2 Weeks

Language
English

Who Should Participate?
Learners who would like to pursue Data Analytics as career or would benefit from it.

9. Freshmen Induction

FRESHMEN INDUCTION
COLLEGE EDITION

Navdeep Sandhu
Instructor, Coding Ninjas

6th March 2021 | 4 PM - 5 PM

Key Highlights

- CAREER LANDSCAPE IN THE TECH INDUSTRY
- WHY BUILDING A STRONG FOUNDATION IS IMPORTANT?
- PROGRAMMING CONCEPTS & TOPICS COVERED DURING THE COURSE
- FEATURES OF THE COURSE
- ROADMAP FOR 1ST-YEAR STUDENTS

Roadmap

[Any language] C++ / Java / Python

1. Fundamentals - 21 days

2. Data Structures & Algo [4m]

3. Projects - 3 months

4. Internships

5. Full time job

6. xfactor ML DB, OS, Servers

7. Patterns

8. Solve Review & Prepare your own library

9. new pattern

 LOKMANYA TILAK COLLEGE OF ENGINEERING

TECHNICAL SKILLS & QUALIFICATIONS FOR BUILDING A CAREER IN THE DATA ANALYTICS & DATA SCIENCE DOMAIN

EMINENT SPEAKER
 Ms. Kritika Annamalai
 Business Intelligence Engineer at Amazon

5TH SEP
 4-5 pm
 on
 Google Meet

OBJECTIVES:

1. Data Analytics vs Data Science.
2. Walkthrough of various career paths and roles/responsibilities- Business Analyst, Business Intelligence, Data Engineering, Data Science.
3. Technical skill set for different career paths - Ranging from SQL through Python and Visualizations (Tableau/QuickSight).
4. Why is SQL every data professional's best friend?
 - Build proficiency in various facets of SQL (Analytics, Data Warehousing, Performance Tuning).
5. The Data Analytics lifecycle.
6. Resources for upskilling your technical skills for a data oriented role.

16. Webinar on Bibliometrics Analysis using R

The banner features a green silhouette of a woman's head with the text "WOMEN IN DATA SCIENCE" below it. The Lokmanya Tilak College of Engineering logo and name are prominently displayed. A blue circular logo with "T" and "P" is also present. The main text reads "Bibliometrics Analysis using R" in large, bold, black letters on a yellow background. To the right, a "Free Workshop" badge is shown. At the bottom, two yellow boxes contain the speaker's name and the date: "Speaker: Shweta Agrawal" and "Sunday 21st February, 2 P.M".

The screenshot shows the R Studio environment. The top menu bar includes "Environment", "History", "Connections", and "Tutorial". Below the menu, there are buttons for "Import Dataset" and "Global Environment". The main workspace displays "Environment is empty". The console window at the bottom shows the following text:

```
cloud project  
Type 'demo()' for some demos, 'help()' for on-line help,  
or  
'help.start()' for an HTML browser interface to help.  
Type 'q()' to quit R.
```

The Zoom logo is visible in the bottom right corner of the screenshot.

Subject: About "Career Day" for TE classes (21stJan 2019)

Dear Sir,

To give introduction of different competitive exams available to engineering students, Tech-Zephyr-2019 Team in association with T&P cell has decided to conduct "Career Day: Seminars on Competitive Exams" for our TE students on 23/1/2019. In that regard I request you to relieve your TE class/es to participate in this program(as per schedule) and inform & depute TE class advisor and department Faculty T&P coordinator to make sure the attendance and discipline during program. Please make this event compulsory for TE class so that they will get benefitted.

Career day main event is on 23/1/19 in Two slots as Auditorium Capacity is 300 :

1st Slot (10 to 12:30pm) for TE –COMP-A&B/ TE ETRX/ TE EXTC-A&B and

2nd slot (1:30pm to 4:00pm) for TE –Mech A,B,C,D & TE Electrical

It will be half day (2.30 hrs – 3 hrs) event and will covers seminars on GATE, GRE/GMAT and CET/CAT which are basic entrance exams and about their preparations. Speakers will be from the institutes which are engaged in training the students for these exams. Table program and principal permission letter are attached here with.. We expect co-operation from your departments in this event

Thanking you,

Yours faithfully

Team Tech Zephyr-2019 - Incharge. *Permitted*

The Class-Advisor (TE Class),

LTCE

Subject: Meeting related to Career Day

Dear Sir/Madam,

Please attend the meeting related to Career Day which is arranged by Dr. Avinash Sarode, Dean Students Activities & TPO. Tech Zephyr in association with T&P cell has arranged Career day program (3hrs) for TE all classes on 31/1/2018.

Following are the details of meeting:

Meeting date & time: 30st Jan 2018 & **Time:** 12 noon

Venue: Conference Room No: 1 , Administrative Office

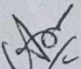

Participants: Hon. Director(R&A), Principal, Vice Principal, Dean Student Activities, TPO, TE Class-Advisors (All Classes) & Tech-Zephyr Incharge (faculty & students)

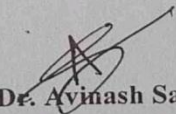

Agenda:

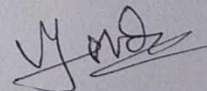

- 1) Informing all students about Career Day
- 2) Making Career Day Compulsory for the TE class so that maximum students can get benefit of it.
- 3) Informing subject/practical teachers about the same. (HODs has already informed)
- 4) Discipline related issues

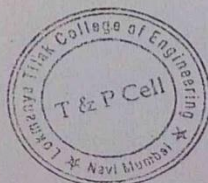

Objective of Career Day: Making ^{TE} students aware about different competitive/entrance exam which they will have to face after BE if they want to go for higher studies.

Thanks and regards
