“Balancing five elements through ancient technology of keeping Daities properly at living place”

Conducted by: Prof Manish Umale

Dates: 16/07/2022

Department of Computer Engineering, Lokmanya Tilak college of Engineering., Navi Mumbai has arranged a seminar on “Balancing five elements through ancient technology of keeping Daities properly at living place” on 16/07/2022. The seminar was conducted by Prof Manish Umale.

23 staff members from Department of Computer Engineering had attended the session. The session was presided over by Prof Rajendra Gawali, Head, Dept. of Computer Engg.

The seminar regarding keeping five main Gods and Goddess at our living place properly has great significance in our ancient text. There are Lord Ganesh, Lord Shiva, Lord Surya, Lord Vishnu and Devi Durga in the form of particular semiprecious stones or metals. Five Panchayatan forms are famous which were described diagrammatically for benefits of success, peace and healthy environment.

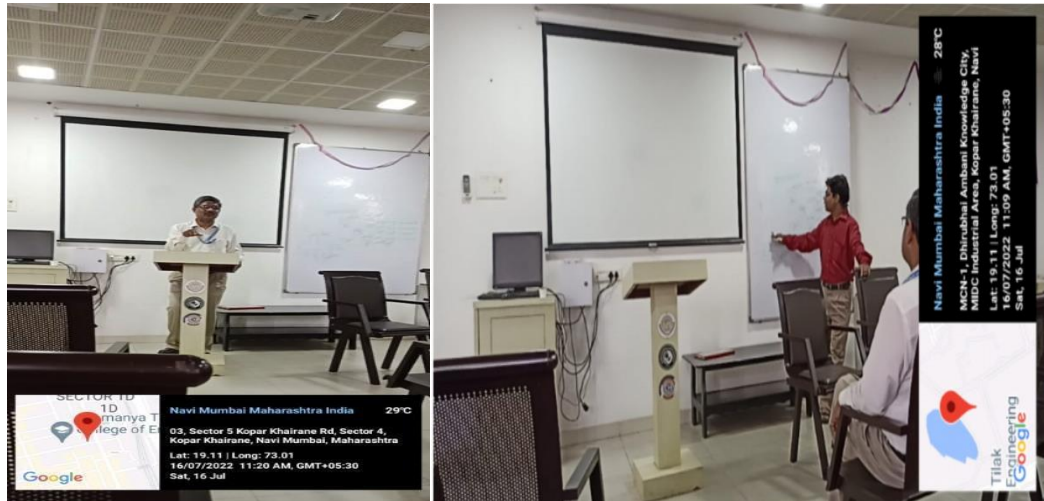

The session ended with a Vote of Thanks by Prof. Rajendra Gawali, Head, Dept. of Computer Engg.
