Dear Shraddha Ramdas Gangurde:

Congratulations! I am pleased to inform you that, after careful assessment of your application, you have been granted admission to the following program:

**Master of Engineering
Industrial Engineering**

This is your official letter of acceptance. As an international student, you are required to obtain a Study Permit and a Quebec Certificate of Acceptance (CAQ). Please read carefully the enclosed "International Students Pre-Departure Guide" to determine the procedures.

The attached Offer of Admission gives information about the program to which you have been admitted, any conditions that apply to your admission, and further details regarding financial support. If you have any questions regarding your Offer of Admission, please feel free to contact us via email at graduate-admission@encs.concordia.ca. Please confirm your acceptance of this Offer of Admission in your Student Centre at www.myconcordia.ca by May 1, 2021.

To learn more about your program, please refer to the Gina Cody School of Engineering & Computer Science website at <http://www.concordia.ca/ginacody/programs>. Please contact the program assistant for course registration procedures. Contact information can be found in the following pages. You should arrive in Montreal and register for your courses by September 7, 2021.

Given your achievements, potential and academic intent, I believe that your academic interests will be well served by this program. I take this opportunity to welcome you to Concordia University and wish you every success in your studies.

Sincerely yours,

Emad Shihab, Ph.D., P.Eng
Associate Dean, Research and Graduate Studies

Letter of Acceptance

To Whom It May Concern,

We hereby confirm that Mr. Arbaaz Chikate born on 02.07.1998, has been accepted to SRH Berlin University of Applied Sciences for the academic year 2021/22.

This acceptance letter is valid only upon issuing of the applicant's student visa as well as the provision of sufficient health insurance coverage.

Student Address:	B102, NAVDURGA COMPLEX PLOT NO.7/7A, NAVI MUMBAI, Indien, einschl. Sikkim und Goa
Date of Enrolment:	01.10.2021
Late Arrival Deadline:	29.10.2021
Duration of Study:	4 semesters
University Address:	Ernst-Reuter-Platz 10, 10587 Berlin, Germany
Degree Programme:	M.Eng. Engineering and Technology Management - Mobility & Automotive Management
Language of Instruction:	English
Programme Conclusion:	30.09.2023

The university education agreement for the Study programme is available in signed form.

We hereby confirm that Mr. Arbaaz Chikate has paid EUR 3225 as deposit of the tuition fees and EUR 900 Enrolment fee to our university. Furthermore, we confirm that the language skills of the student have been assessed during the admission interview. Mr. Arbaaz Chikate has successfully passed this interview. It is Mr. Arbaaz Chikate's responsibility to comply with all applicable laws, regulations and rules of his stay in Germany.

We are looking forward to welcoming him as a new student to our university in October 2021.

India
shubhamdawle@gmail.com

Dear Mr. Shubham Vasant Dawle,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2021 semester to the degree of Masters of Science in Industrial Engineering.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Industrial Engineering Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

Dear Mr. Prathamesh Ghanekar:

I am pleased to inform you of your acceptance into the *Graduate School of Engineering* at Northeastern University as a Full-time Regular student in the Masters degree program.

This action is by recommendation of the Admissions Committee following a thorough examination of your preparation and qualifications for graduate work. In accordance with your undergraduate studies, your degree designation will be Master of Science in Industrial Engineering and will begin the first day of classes of the Fall 2022 term. Please go to **Northeastern's Office of the University Registrar** website to view the university calendar. Please also refer to the below student advising and registration information for important information regarding your studies including your initial point of contact in your department of admission. Note that your offer of admission is contingent upon your satisfaction of all local, state and federal laws.

The *Graduate School of Engineering* is available to assist you with any questions that you might have concerning your studies. On behalf of the Graduate Admissions Committee, I welcome you to the *Graduate School of Engineering* at Northeastern University.

Sincerely,

Waleed Meleis

ANIKET VIKAS JADHAV

N Northeastern College of Professional Studies

June 1, 2022

NUID: 002744288
Campus: Boston

Dear Aniket Vikas:

It is my pleasure to inform you that you have been accepted into Northeastern University's College of Professional Studies Master of Science in Project Management program for the Fall 2022 term at the Boston campus with a September start date. Our regionally accredited programs provide an educational experience that is founded on proven scholarship strengthened through practical application and sustained by academic excellence. Here at the College of Professional Studies, we are committed to providing you with a high level of academic excellence and superior service.

Your acceptance to the College of Professional Studies is granted under the following condition(s):

You must submit your official transcript with degree conferral within your first term of course enrollment. Please refer to the following website on requirements:

- <https://cps.northeastern.edu/admissions-aid/international-admissions/applications/>

Additionally, your offer of admission is contingent upon your satisfaction of all local, state, and federal laws.

Upon successfully meeting the condition of your acceptance, you will be formally accepted into the program and admitted to the University. If the condition is not met, your conditional admittance will be rescinded and you will not be able to continue to register for classes. Should any changes to your condition of acceptance and/or program requirements occur, you will be notified of the changes and be held to any new standards put in place.

Now that you have been accepted, please confirm that you plan to attend by completing the enrollment confirmation form. This is also a great time to visit our website for accepted students which will help guide you through the enrollment confirmation process and important next steps such as activating your myNortheastern account, submitting official transcripts, and exploring program curriculum.

In addition, you can view our current course offerings online at <https://registrar.northeastern.edu/group/catalog/>. It is important to note that you are required to follow the program curriculum that is in effect during the Fall 2022 term. Please review the curricula at the beginning of your start term to be sure you have the most up to date information.

Registration will open six weeks prior to the start term. Once registration is open for the Fall 2022 term, you should create your myNortheastern account. myNortheastern is a portal where you will receive critical information from the University and College, access billing and course information, and several other student related items. Once you have created your account you can proceed to register for classes via the student portal.

All admitted students who will be studying with an F-1 visa would need a Form I-20. Please contact the office of Global Services to begin your I-20 process at <https://international.northeastern.edu/ogs/getting-started/>

On behalf of the faculty and administration at Northeastern University, I would like to congratulate you on your admission. I am sure you will find the College of Professional Studies an exciting and intellectually challenging place to further your education.

Sincerely,

David Fields, Ph.D.

WE CHOOSE YOU!

Congratulations Swapnil Sunil Wandre!

It is my privilege to inform you of your offer of Unconditional admission to the Industrial Engr-MS (NT) program at the University of Texas at Arlington for the 2022 Fall semester.

Admission to UTA is competitive, and your selection was not taken lightly. We chose you based not only on your academic record, but by evaluating your potential for continued success. We don't just believe that you will continue to excel, we expect it.

KISHAN BASANT GUPTA

Mechanical & Industrial Engineering
UNIVERSITY OF TORONTO

Kishan Basant Gupta

September 23, 2020

Dear Kishan,

Congratulations! It's my great pleasure to inform you that we've approved your application to pursue Graduate Studies in the Department of Mechanical and Industrial Engineering at the University of Toronto. You should be proud of all that you've accomplished. We believe that you will be an outstanding addition to our Department and to the University.

The administrative staff and I in the MIE Graduate Studies Office would be pleased to welcome you on your arrival on campus to begin your program. Please do not hesitate to contact us for any inquiries you may have either before or after the start of your studies.

Please note that the MEng Program can be [completed](#) via ten graduate half-courses on a full-time, extended full-time or part-time basis, with or without a [project](#). You may want to contact prospective [professors](#) in our department for such potential projects in lieu of three half-courses, who could also act as your general program supervisor.

Full-time students are able to complete the program in one year or three sessions and may take up to five half-courses per session. Extended full-time students complete the program over a two-year period and may take up to three half-courses per session but no more than six half-courses per year. Part-time students take more than two years to complete the program and are limited to two half-courses per session or four half-courses per year. Please note that once your signed confirmation form has been received, transfers into a delivery option not indicated on your offer of admission will not be accommodated. Further information about delivery options is available at: <https://www.mie.utoronto.ca/programs/graduate/master-of-engineering/#Full-time>.

The MIE Department also offers [certificates](#) for MEng students who wish to focus their studies in: [Computational Mechanics in Design](#), [Financial Engineering](#), [Healthcare Engineering](#) or [Information Engineering](#). The Faculty of Applied Science & Engineering offers [technical specializations](#) in [Entrepreneurship, Leadership, Innovation & Technology in Engineering \(ELITE\)](#), [Engineering & Globalization](#), [Robotics & Mechatronics](#), [Sustainable Energy](#), and [Advanced Manufacturing](#).

Finally, the graduate education that U of T Engineering offers, with rich opportunities to pursue research and professional development, is the best in Canada and among the very best in the world. We hope you will join us, and we look forward to welcoming you to the [U of T, MIE](#) community.

Best regards,

Professor Murray Thomson
Associate Chair – Graduate Studies

Important Note: Please be advised that students of the MIE MEng program receive **no financial support**; therefore, full payment of tuition fees is the sole responsibility of the student.

Student ID: 203123602

Dear Rohan,

I am pleased to inform you that you have been admitted as a conditionally classified student for the graduate study in Electrical Engineering in the Department of Electrical and Computer Engineering for the *Fall 2022* semester.

Please note the following:

- Take and pass the Upper Division Writing Proficiency Exam (UDWPE).
- Require official transcript(s) with degree(s) posted from University of Mumbai.

Upon the approval of the graduate coordinator, up to 9 units of ECE-400 level or transferred courses can be counted toward your Master's degree. To avoid taking more courses than needed, please consult the graduate advisor before you enroll in any 400-level courses.

Please send us an email at rick.valencia@csun.edu if you decide to join us. Once we have your email address on record, we can inform you of the new graduate student orientation and provide other relevant information.

On behalf of our faculty, I welcome you to the California State University, Northridge. Best wishes for a successful graduate study at CSUN.

Sincerely,

Xiaojun Geng, Ph.D.
Graduate Coordinator
